SAI MYO THU

UI/UX DESIGNER | PROUDCT DESIGN ENTHUSIAST

I'm a UX-focused generalist designer with 2+ years of experience, passionate about creating products that drive measurable business impact. I thrive on turning user insights into design solutions that not only delight users but also deliver real value to businesses. My approach blends creativity, strategy, and usability to solve problems that matter.

EXPERIENCE

Heizen(USA, Remote)
PRODUCT DESIGNER
Nov 2025 – Present

- Designed and iterated on user interfaces for SaaS and Fintech products, focusing on simplifying complex financial dashboards and enhancing data-heavy workflows.
- Collaborated closely with multiple stakeholders and developers to translate business requirements into functional high-fidelity mockups and ensure technical feasibility.

PAL(Singapore, Remote)
